

## Me You and IT Too

The first 8 weeks of this project were very successful. We had 52 sessions with the elderly, enjoyed by both students and the elderly. As expected they presented with a range of problems on cell phones, ipads and laptops. I enclose an account of running costs to date.

On Sunday 12<sup>th</sup> July we featured on National Radio in a programme called "Insight", which was about loneliness and depression amongst the elderly.

We will also be taking five students to the launch of Digital Seniors at the Copthorne Hotel in Masterton on August 16<sup>th</sup>.

The new term has started well , We have 16 seniors booked in for the first two weeks of term. Each week we have a regular supply of students and their relationship with the elderly has been very positive.

We have received 21,400 responses on facebook , as a follow up from the insight programme.

We have received a GRANT OF \$600,00 from Rotary, so I am hopeful that we will manage this year without further support. Thank you very much for your grant and support for this project.

Ann Rainford

Vice Chair

Greytown Community Board.
