Dear Kevin,

Executive Officer Salary Grant Request for 2020

The Greytown Sport & Leisure Society Board is very grateful for the funding support and appreciation shown for our efforts over the past year. Your comments on our reporting and successes solidify our resolve to carry on with the strategic direction, further improving the support to the Greytown sport and leisure community.

As with previous years, the Society is seeking further support from the Trust for a grant of \$45,000 for the Executive Officers Salary for 2020.

This year we have had the increase of two new member clubs, Baseball & Wellington Gliding, a re-joining by the Trails Trust and a further paid membership from the Pavilion Committee in recognition of the level of service provided by the Society. Jackie has maintained great relationships with all our member clubs of Greytown as well as maintaining and forming new relationships within the region and with Sports Wellington-Wairarapa. We can also report there is now a strong link to the Facilities management team at SWDC and currently with the Mayor, Greytown ward councilors and the CEO as Team Greytown attempts to advocate a win-win solution regarding saving central Green space in Greytown and supporting Kuranui's bid to have a community gymnasium.

Our member clubs, affiliated schools, South Wairarapa Schools Sports Cluster and other community groups feel supported with her administration and having a clean financial review was appreciated by the Board.

Communication and information sharing has become the new norm and the Board looks forward to cementing the role of the Society in Greytown and afar with the new website. We hope that the Trust will be in a position to continue its support for 2020.

Yours sincerely

  
Gavin Hodder
