

Kuranui College

Greytown Trust Lands Trust kindly supported Kuranui College through their education grants.

This year the funding has been used to support our new “Inspire Time” curriculum. Inspire Time runs twice per week and its name says it all. This is an opportunity for students to experience opportunities they may have never tried before. Examples of Inspire Time options that have run so far this year have included:

- Crossfit
- Eco-Action
- Pilates
- Cheese Making
- Paul Ifill football academy
- Smallbore and Clay target shooting
- Musicals
- French
- Sign Language
- Barista

The funding from Greytown Trust Lands Trust has been instrumental in resourcing the varied opportunities students can engage in. Students are learning key life skills while following their interests and passions.
