

Health & Safety update

Information from tenants / contractors

Information is requested and updated as required with copies kept on file.

I will ensure I receive the appropriate health and safety information from our new tenant in 64B Main Street.

Covid 19

This seems to be constantly evolving with restrictions changing regularly. I have not been made aware of any major issues with any of our tenants.

Training

I am still working on sourcing a suitable seminar / course. I have spoken to various training agencies and waiting on further course information / dates.

Incidents

No incidents to report.
