Noted that the Trust Manager had spoken to Greytown Kindergarten, Greytown School, Early Years and Kuranui College regarding the proposed incentive for fundraising. The following was provided to the Board:

Greytown Kindergarten hold four fundraisers per year and raise approximately \$500 per fundraiser.

Greytown School does independent fundraising and was happy with the incentive proposal.

Early Years usually raise \$7-12k per year, (however, Covid has stymied this).

Kuranui College raise approximately \$60-100k per year (currently raised \$46k this year) and has a part-time position dedicated to fundraising. It was unclear if this included school donations.

The Trust reflected that Grants from the Trust ensure that the children of Greytown received extra educational resources in addition to the educator's own fundraising.
